## *Director's Desk...*

Dear Parents & Students !

Shekhawati region has been in forefront to provide soldiers to the nation's Defence Forces in large numbers. Hordes of coaching institutes have mushroomed in the catchment area to impart training with an aim to get selected in the Defence Forces. However, no institute was available to fulfill the aspirations of young minds to join the Forces as Officers.

Prince Education Hub has created an exclusive campus - the Prince Sainik School & Prince NDA Academy, to impart holistic coaching to Boys & Girls to prepare them for NDA (written exam & SSB). Students of Class VI to X and XI-XII Science mathematics stream in the prescribed age limit are admitted on the basis of written entrance examination followed by interview. Besides the NDA coaching, NCERT curriculum is being covered to ensure high marks in board exams.

We have put together an excellent team of senior Defence officers, professionally competent teaching faculty assisted by strong administration to oversee the training at the Prince Sainik School.

With best wishes for bright future of the students !

**Jogendra Sunda**  
Director

# Now **GIRLS** on Front Foot through **NDA Entry**

We believe every student should have the opportunity to dream big, reach their potential and succeed, regardless of their Gender.

## Introduction

Three formative years at the school instil in the cadets a sense of intense belonging, bonding and feelings of oneness with the alma-mater. Breaking bread and training together instils a spirit of camaraderie which in the ultimate analysis forms the bedrock of inter-services co-operation in times to come. Herein are sown the seeds of 'Jointmanship', the new mantra of coordinated inter-services strategy.

The cadet during his sojourn at the School holds many a thing close to his heart. By merging his identity with others, he gains the solace of a herd, the power of a team and the leverage of a group. This attribute of solidarity stands him in good stead during testing times and crunch situations.

## The School Prayer

O God, help us to keep ourselves physically strong, mentally awake and morally straight, that in doing our duty to Thee and our country we may keep the honour of the Services untarnished. Strengthen us to guard our country from external aggression and internal disorders. Awaken our admiration for honest dealing and clean thinking, and guide us to choose the harder right instead of the easier wrong. Kindle our hearts with fellowship for our comrades at arms and with loyalty to the men we command. Endow us with the courage which is born of the love of what is noble and which knows no compromise or retreat when truth and right are in peril. Grant us new opportunities of service to Thee, to our country and to the men we lead, and ever help us to place such service before self.

## The Cadet's Pledge

- I dedicate myself to the task of upholding the ideals that have gone into the making of this great institution of which I am a proud member.
- I reiterate my firm commitment to the values and virtues that form the very basis of the corps of cadets and also the Armed Forces of India.
- I promise to be fully dedicated to all aspects of my training here and also to adhere, at all times, to a code of conduct, befitting my future role as an officer and a gentleman in the service of the Nation. To that end, I shall not lie, cheat or steal and it will be my earnest endeavor to be sincere, hardworking and scrupulously fair.
- I earnestly pray that I may not falter in the pursuit of my goal and, in moments of doubt, be guided by my illustrious predecessors whose example shall be my beacon.

# Cadet's Commandments

## **The Nation :**

The Nation's honour and interest comes first, always and every time.

## **The Services:**

We pledge to maintain the traditions of the three services and keep the 'TRISHUL' always bright and strong.

## **The Sainik School :**

We are proud of the Sainik School. We will at all times endeavour to uphold its reputation by our conduct, bearing and manner both within and outside the campus.

## **The Corps of Cadets:**

We are a family. We are loyal to each other. We act as one man.

## **Truth:**

We will always follow the harder right rather than the easier wrong.

## **Discipline:**

We will obey all orders at once. We will never leave a task unless permitted to do so by a superior.

## **Punctuality :**

We will make punctuality our second nature.

## **Supervision :**

We will work without any supervision. Supervision is unnecessary when duty is performed conscientiously.

## **Work and Play:**

We will work hard and play hard. We will keep ourselves physically fit, mentally alert and morally upright.

## **Gentlemen:**

As future officers of the Armed Forces we will learn to conduct ourselves as gentlemen.

## **School Honour Code**

"I believe that a cadet must be loyal, truthful, trustworthy, honest and forthright under all circumstances. I will not lie, cheat or steal, nor will I mislead or deceive any one. I undertake to faithfully live up to this code and to continuously encourage my comrades to do so".

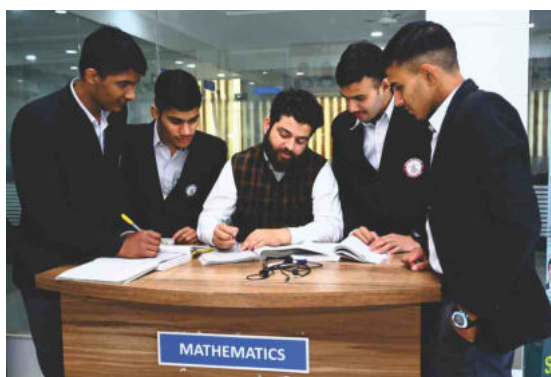

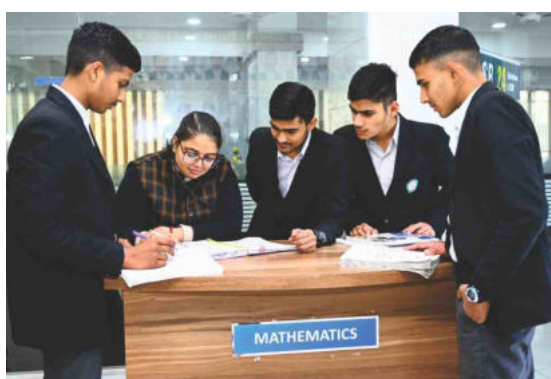

## **A Mother Prays**

"Enter my portals O glory bound ones  
Learn to lead I'll make you men  
In my dreams the bugle sounds  
In my heart hope abounds  
Leave my portals live like men  
Death or glory it matters none  
The hour beckons honour at stake  
O valiant sons a mother prays  
Lead with vigour straight up front  
Rocklike bear the enemy's brunt  
I shall write your untold story  
I shall uphold your blazing glory  
Go my sons the earth beckons  
Hear my warriors the oceans call  
Soar my eagles the sky is yours  
Death before defeat  
Death before dishonor  
Death with distinction  
A mother prays for all your days  
Strive and seek victory with grace  
A mother prays.  
A mother prays."
